

# Carl King's "Yamaha FZS 1000 Fazer"

Dear N.A.B.D. Team,

First please allow me to say THANK YOU,  
THANK YOU, THANK YOU!

For the first time since my accident I feel I  
have full control of my bike!

I have the Kliktronic Gear Shifter fitted.  
The fitting went well and I thought quite  
easily. Advice from Kliktronic about setting  
it up was very helpful.

I also have the "K-Lever" Twin Brake Levers.  
These are PERFECT! Allowing me full and  
independent braking for the first time! Very  
comfortable to use and natural feeling very

quickly. Fitting was a breeze thanks  
to advice given by Bob and Keith at  
Kliktronic when I collected them.

Once again, please allow me to  
thank you for your very kind and  
generous donation, you can rest  
assured that you have made me a  
very happy man.

Yours truly,

Carl King
