

Rick Watts

# Suzuki GSX 750 with Kliktronic Gearchanger in Norwich

Rick Watts from Norwich suffered a below-knee left leg amputation.

With the help of some clever engineering from Bob and Keith at Kliktronic and a grant from the NABD he is now back in the wind, where he belongs, on his Suzuki GSX 750.

He is a man of few words but the words he does use say it all.

***"To all at NABD***

***Since being able to use  
the Kliktronic Gearchanger,  
the system is fantastic.***

***Many thanks again***

***Rick Watts"***

This NABD grant of £530.00 was sponsored by donations from Sue Bettany & friends
