

Wolf Traveller Trike

Philip Roskell - Boom Trike

It was 21 years ago when a stupid car driver knocked me off my motorbike; in so doing I ended up with a broken back at T6/7 level. So, for the past few years I have wanted to get back on the road again, although it would have to be on three wheels!

After saving like a mad man and being nice to my bank manager, I could afford a trike and, after looking at a few trikes and talking to a few riders, I came across Boom Trikes in Bolton.

A few visits later I decided to get one, I put a deposit on a Wolf Traveller 3V 1600cc with twin Webber idf 44 carbs.

Boom Trikes completed the adaptations and fitted a rack to carry my wheelchair, then they delivered it to my home for me.

Now, every time I go out on it, I can't get rid of my stupid grin!

Finally, I must thank Anthony and Ian at Boom Trikes for their help and advice, also thanks to NABD for the grant towards the cost of the adaptations.

This NABD grant of £400.00 was sponsored by a donation from the Scorpions MCC
